

North Thoresby History Society

Please find details here of the **presentations at the History Society through to July 2026** – now 11 monthly meetings.

Steve Betteridge from the Louth Navigation Trust is with us on **October 9th**.

Not strictly History Society but Events is attempting to revive the **Cinema Club** and on Saturday afternoon October 18th we have a showing of the Bob Dylan biopic '**A Complete Unknown**' – certainly interesting historical times for us music lovers. Film at 1.45. Soup at 1.00. No charge. Please come and show your support for a Cinema Club in the Village.

Two study programmes from our friends at the Grimsby WEA are also included.

Best wishes

Ian
