

North Thoresby, Waithe and Grainsby Parish Council

Request for Information Decision

Date of request: 01/08/2025

Date of decision: 18/08/2025

Request:

I request that you provide the following information electronically to me at the following email address [REDACTED]

1. You have not digitally signed this email
2. I requested payment schedules - this is not the same as approvals in a parish council meeting. For your guidance, the approvals at council meetings must match the payment schedules, the payment schedules can then be checked against the monthly bank reconciliations, and these can then be checked against cash flow in and out of the council - this is how the council ensures transparency and guards against fraud and money laundering. If you care to consider your Standing Orders, Financial Regulations etc, you will see that these documents are done on a monthly basis for the councillors.
3. Not only have you not supplied payment schedules, you have not supplied any information at all for October 2024, and December 2024.
4. As I have already explained, the parish council's website is archived at regular intervals and this is the council's website on 9th December 2024 - you will notice the lack of the documents that you are claiming are published on your website.
